Dear Friend of ABLE Foundation,

On behalf of the Heritage Classic Foundation, we would like to invite you to donate through the Heritage Champions Fore Charity matching program, a philanthropic initiative created to support the nonprofit organizations in our communities.

This program operates from January 1 to December 1.

For each individual contribution of \$1,000 or more, you'll be able to designate ABLE Foundation to receive your tax-deductible donation. The Heritage Classic Foundation will provide a 20% match to your donation up to \$10,000, further enhancing your charitable contribution.

The 20% match is made possible due to the success of the RBC Heritage Presented by Boeing, Hilton Head Island's biggest social event and the Signature PGA TOUR event in South Carolina.

You can make your contribution at www.heritageclassicfoundation.com by clicking "Get Involved". You can process a credit card directly on the site, opt to mail a personal check, or contribute IRA distributions once you have registered your payment method on the site.

Your generous patronage will make a big difference. These funds will enable us to purchase educational tools (toys) for us to work weekly with parents and their young children within the child's home from birth to age 5 who are medically diagnosed with Down Syndrome, Fragile X, Autism Spectrum and related illnesses so their child can be successful entering kindergarten. These tools are given to the parents at time of entry in our Bright Beginnings early intervention program. We currently have 300+

children enrolled. The following is from a young mother and her daughter: "When I look back at Isabella and myself before Bright Beginnings and Jenny (interventionist) came into our lives, I see a heartbroken lost momma and a miserable baby. Now I look at us and have to smile with pride. In 5 short months I have learned so much about her and what she needs. As I'm writing this, I'm watching my daughter playing with a toy. This is a huge thing for her to do all on her own. I can say without a doubt, if we didn't have Bright Beginnings and Jenny, I wouldn't be crying such happy tears right now."
